### **STUDENTS AND PARENTS (IF PARENT PLUS LOAN):**

I authorize NewSchool of Architecture & Design to utilize Title IV and Private Education Loan funds to satisfy both institutional (tuition and fees) and non-institutional charges I incur while at the College. Typical examples of non-institutional charges are books, supplies or printing costs charged to a student account, dorm penalties/damages, administrative drop fees, or insurance. I understand that if I do not authorize this use of the funds, the College will not extend credit for the additional charges, and they must be paid in cash at the beginning of each quarter.
