## SCHOLARSHIP ANNOUNCEMENT 2011-2012 ACADEMIC YEAR

### TO ALL NSAD STUDENTS:

NewSchool of Architecture & Design annually awards Presidential Scholarships to outstanding students in all of our degree programs. All eligible students are encouraged to apply by the deadline noted below. Scholarship awards are made for varying amounts, generally from \$1,000 to \$10,000 per year, with specific amounts dependent on the number of recommended applicants and the amount of funds available.

Scholarship funds are disbursed quarterly during the academic year. Awards may be pro-rated for students taking less than a full load of coursework.

Scholarship and leadership are the two most important criteria used in determining recipients. In addition, applicants will be reviewed for the significance of their work as recognized by the faculty and/or other professionals, and service that leads to the betterment of NewSchool. A minimum cumulative grade average of 3.25 is normally expected for a successful applicant.

Scholarship applications from continuing students must be submitted no later than **4:00pm, Friday, May 20, 2011**. The applications will be reviewed by the Scholarship Committee, chaired by Dean Chris Genik. The Committee will make its recommendations to the President, and final awards are expected to be made by June 10, 2011.

There are two application cycles for new students. The first application cycle has a deadline of **April 29, 2011**. Awards are typically announced by May 20, 2011. The second application deadline for new students is **June 24** and awards are typically announced by July 29. The applications will be reviewed by the Scholarship Committee and the Committee will make its recommendations to the President.

Please complete the following application and submit it with the requested materials to Academic Services Coordinator's office, 3<sup>rd</sup> Floor, Main Building prior to the deadline. Failure to comply with the application requirements, or late filings, will be disqualified from consideration. Please direct your questions to Dean Genik in the interim.
